

The #1 Fastest-Growing Email Delivery Service

SparkPost is the world’s fastest-growing email delivery service. Our customers — including Pinterest, Twitter, CareerBuilder, LinkedIn, Salesforce, Zillow, and Comcast — send over 3 trillion messages a year, over 25% of the world’s non-spam email. The SparkPost service for sending API-driven transactional and marketing email provides the industry-leading performance, deliverability, flexibility, and analytics they need to drive customer engagement for their business.

No One Knows Email Better

For more than a decade, we’ve developed the highest-performing technology in the email industry, and our leadership continues with the first email delivery service truly architected for the cloud. From the pioneering Momentum MTA to today’s fully elastic cloud email delivery service, SparkPost provides our customers with the proven highest inbox delivery rates, easy setup and launch, and comprehensive analytics and insight. Our cloud-native platform gives our customers the reliability and scalability they demand — and more. There’s never been a better way to send email.

The Best Team in the Business

SparkPost’s innovative technology makes high-performance email delivery possible, but our most valuable asset is our people — the most talented and experienced email experts in the industry. That’s why our customers trust in our team to make the difference. From deliverability experts to a community of developers to dedicated Technical Account Managers for enterprise customers, our team is there with you every step of the way.

Trusted to Deliver Customer Success

Our 15,000+ active customers range from the biggest senders in the world to start-ups and small companies that are just beginning to make a mark. But what they share is understanding of the business value of email — and the confidence that comes from working with an email delivery service that is 100% committed to helping them to achieve their business goals.

The best technology supported by the most experienced people. SparkPost is the email service you can count on.

“Being a premiere customer of the SparkPost service has allowed us to achieve high levels of reliability and performance ... We are very excited to work with SparkPost.”

—TARA CLARK, DIRECTOR OF EMAIL, ZILLOW
